To minimize the number of such cases coming up to Govt, it would be better to frame a rule in the M.S.R. allowing such D.A in all these cases corresponding to the rule fixing ~~the~~ their Charge allowance.

For the grant of charge allowance in such cases article 91 contains a note.

What is now proposed is where a similar general note under article 565 would run as follows: —

article 565 note. Subordinate Talukdari Officers placed in charge of the duties of the Amildar or Dy Amildar of Taluka or Sub Taluka are entitled to draw TA at rate admissible to Amildars or Dy Amildars for journeys within their jurisdiction.

To minimise unnecessary correspondence it would be desirable if a ruling is recorded

Insertion of a Note to Article 565 of the Mysore Service Regulations allowing subordinate Taluk officers placed in charge of a Taluk or a Sub-Taluk the same rates of travelling allowance as are admissible to Amildars or Deputy Amildars, for journeys within their jurisdiction.

Submitted to His Highness.

When an officer is placed in charge of the current duties of another office, he can, according to Article 565 Mysore Service Regulations, draw travelling allowance at rates attached to that office, only under the special orders of Government.

2. All cases of Subordinate Taluk Officers placed for short periods in charge of the Taluk, which are somewhat numerous, are accordingly being submitted at present to Government for special sanction being accorded for the grant of travelling allowance, at rates applicable to Amildars. As in these cases the sanction sought is to be given as a matter of course, the present practice entails an unnecessary expenditure of time and labour. It is therefore proposed by the Financial Department to add the following note to Article 565 Mysore Service Regulations, according general sanction in such cases:-

Page 4 of office note.

> "Subordinate Taluk Officers placed in charge of a Taluk or a Sub Taluk are entitled to draw travelling allowance at rates admissible to Amildars or Deputy Amildars for journeys within their jurisdiction".

3. It may be added that Amildars and Deputy Amilders do not get full travelling allowance for journeys within jurisdiction, but only double second class Railway fare and a daily allowance of rupee one and it is this reduced travellin-g allowance that will be admissible to the officials placed in charge.

Pages 4 & 5 of office note.

4. The Members of Council agree to the proposal which may be graciously sanctioned.

No. 10446—*Med.* 129-14-4, *dated* 22*nd June* 1915.

The following instructions issued by the Director of the Pasteur Institute of Southern India, Coonoor, in the matter of dealing with persons bitten by dogs or other animals which may be rabid are published for general information :—

1. When any person is bitten by an unknown dog without provocation he should go to Coonoor for treatment without delay, for experience has shown that it is likely that such a dog is rabid.

2. When any person is bitten by a dog which is known and can be captured, that dog should not be killed but securely tied up.

(*a*) If it is alive and well ten days after inflicting the bite the person bitten need not go for treatment.

(*b*) If, however, the dog falls ill or dies within ten days the person bitten should go for treatment and take with him portions of the dog's brain for verification, preserved according to the instructions issued.

3. Persons who are licked on the unbroken skin need not come for treatment.

4. Persons who have merely handled rabid animals and have no recent wounds need not come for treatment.
